FORMER COMMISSIONER'S COURTROOM RESTORED

The County Engineering Superintendent, Don Rao, has made a special effort to restore the former Commissioner's Courtroom on the fifth floor of the historic courthouse to reflect the manner in which the room looked when it was used for this purpose.

On June 26, 2019, Commissioner Brent Weaver and former County Judges who held court in this room were invited to tour the restored courtroom and to reminisce about their time on the bench. Former County Judges, Leonard Giblin, Jr. (1974-1978), Richard LeBlanc, Jr. (1978 -

1996), Robert Stroder (1/8/96 - 11/12/96), Carl Griffith, Jr. (1996 - 2010) and current County Judge Jeff Branick were on hand for the tour. JCHC Coordinator, Linda McMahan was also present.

Many thanks to Don Rao for his efforts to preserve this beautiful courtroom.

JEFFERSON COUNTY RECEIVES DISTINGUISHED SERVICE AWARD FROM TEXAS HISTORICAL COMMISSION

AUSTIN, Texas—The Texas Historical Commission (THC) recognized the Jefferson County Historical Commission (CHC) with a Distinguished Service Award (DSA) for the 2018 year of service. This annual award affirms CHCs that document ongoing, well-rounded programs of history and preservation-related projects that enrich local communities. The award was mentioned by County Judge Jeff Branick during a meeting of the County Commissioner’s Court on July 1, 2019, to acknowledge the CHC’s accomplishments.

“The Distinguished Service Award honors County Historical Commissions that go above and beyond to protect and promote local historic and cultural resources. They are essential to our agency’s efforts to save the real places that tell the real stories of Texas,” said THC Executive Director Mark Wolfe. “The Texas Historical Commission presents this Distinguished Service Award to the Jefferson County Historical Commission to honor its efforts to preserve the Lone Star State’s unique heritage.”

Texas CHCs provided more than 447,000 volunteer hours in 2018, which is an in-kind donation to the state valued at more than \$11 million. The THC assists more than 200 CHCs through programs and services that preserve Texas’ heritage for the education, enjoyment, and economic benefit of present and future generations. The THC’s advisory role to CHCs is outlined in the Texas Local Government Code, the statute that enables County Commissioner’s Courts to establish CHCs. The volunteer appointees, as directed by county officials, initiate and conduct programs that preserve the historic and cultural resources of Texas.

For more information about CHCs in Texas, visit thc.texas.gov/chcoutreach or contact the History Programs Division at 512-463-5853.
